SUPREME COURT : COUNTY OF ERIE

In the Matter of the Petition of Seventh Amendment Holdings, LLC
for Judicial Approval of the Sale and Transfer of Structured
Settlement Payment Rights, pursuant to New York General
Obligations Law, 5-1707, et seq.,

Petitioner,

Index No.

v.

Metropolitan Life Insurance Company (“Annuity Issuer”),

Respondent.

STATE OF ILLINOIS)
)ss:
COUNTY OF LAKE)

Joseph N. Virgilio, being duly sworn, deposes and says:

1. I am of sound mind and not suffering from any physical or emotional impairment that might affect my judgment or ability to make this affidavit. I have personal knowledge of the facts and circumstances described herein.

2. I am 65 years old, widowed, and have 3 grown children, who are not dependent on me and whose names and ages are:

- (a) Joseph E. Virgilio – age 40;
- (b) Matthew M. Virgilio – age 36; and
- (c) Michael A. Virgilio – age 31 .

3. Currently I am a resident of the State of Illinois.

4. This affidavit is made in support of Seventh Amendment Holdings, LLC's ("Petitioner") petition for court approval of the sale/transfer to Petitioner of certain structured settlement payment rights due me under a structured settlement agreement.

5. As a result a personal injury claim my wife and I had against Wyeth Pharmaceuticals, Inc. et al., I became entitled to receive certain structured settlement payment rights, to wit, \$11,250 per quarter, guaranteed 10 years, beginning on September 15, 2005, with a final quarterly payment due on June 15, 2015; and a final one-time lump-sum payment of one million dollars (\$1,000,000.00), due and payable on June 15, 2015.

6. On or about June 14, 2015, I executed a Structured Annuity Purchase Agreement with Petitioner to sell my final one-time lump-sum payment. In return, I shall receive a one-time lump-sum payment of three hundred thousand dollars (\$300,000.00), as well as guaranteed monthly payments of seven thousand ninety dollars and ten cents (\$7,090.10*) for ten (10) years (**The final monthly benefit amount will be predicated and finalized based on pricing available in the market on the day of purchase*).

7. I understand that in exchange for receiving this smaller lump-sum payment and guaranteed monthly payments for ten years, I am giving up and transferring all rights I may have to the one-time payment of one million dollars (\$1,000,000.00).

8. I understand that the Court must grant permission and approve the proposed sale of my final structured settlement payment of one million dollars (\$1,000,000.00).

9. The reason the proposed transfer is advantageous to me is it allows me to continue receiving tax-free periodic payments, which is more beneficial to me than a simple lump-sum payment, as I will have guaranteed income for at least the next ten (10) years.

10. I strongly and verily believe that my decision to sell and transfer the final one-time payment due me is in my best interest because the funds I shall receive in exchange are guaranteed monthly payments for ten years, which will guarantee an income stream for me and in the long-run will result in a higher final pay-out amount to me. I have thoroughly considered this transaction, my alternatives, and the use to which I will put the proceeds of the sale. I have considered the impact of this transaction on my dependants (if any), and myself. I will be able to improve and continue my current standard of living if I am permitted to transfer and assign my rights hereunder.

11. I was provided with and have carefully reviewed copies of (i) the Structured Annuity Purchase Agreement; and (ii) the New York Disclosure Statement, as required by New York Law. I have carefully reviewed the documents, and fully understand all of the terms set forth therein.

12. In accordance with New York law, I was provided with written disclosure statements at least ten (10) days prior to signing the Structured Annuity Purchase Agreement.

13. I understand the nature and terms of the transaction. I am entering into the proposed transaction with Petitioner of my own free will and volition, and without reservation, duress, or undue influence.

14. As part of the separate written disclosure, I have been advised to seek independent professional advice in connection with the proposed transfer from an attorney, accountant or other professional of my choice.

_____ I have either received said advice or fully intend to receive independent professional advice regarding this transaction;

 ✓ I hereby waive that advice, as I understand the nature of the proposed transaction and the economic consequences thereof.

15. There are no additional beneficiaries under my current structured settlement policy that would qualify as interested parties entitled to receive notice under New York law.

16. Based on the foregoing, I respectfully request that the Court find the proposed transfer in my best interests, grant the herein petition, and authorize the sale and transfer of the final lump-sum payment.
