

EXHIBIT “D”

AFFIDAVIT IN SUPPORT

STATE OF NEW YORK)
)
ERIE COUNTY)

RAEKWON ROBINSON, being duly sworn, hereby deposes and says:

1. I am of sound mind, sane, sober, not under the influence of drugs or alcohol, and am not suffering from any physical impairment affecting my judgment. Further, I have personal knowledge of the facts and documents stated and described herein.
2. I am 19 years old, born on October 13, 2000. I am single, and I have one minor child.
3. I am a resident of and domiciled in the State of New York, Erie County. I currently reside at 189 Central Ave., Buffalo, NY 14206.
4. I am not currently required to pay monthly child support or spousal support.
5. This affidavit is made in support of CBC Settlement Funding, LLC's ("CBC") application for Court approval of the sale/transfer to CBC of certain structured settlement payment rights due to me under a structured settlement agreement.
6. Previous transfers:

Have you previously filed a petition to transfer payment rights under the structured settlement that is the subject of this petition? X Yes No

If yes, for each petition that you filed, please provide the following:

- (a) The specific Court, the case caption and Index Number, and whether the court approved or disapproved the transfer:
 - a. Erie County Supreme Court, Index Number 810513/2019, Denied
 - b. Erie County Supreme Court, Index Number 804403/2020, Approved

If the transfer was approved, please provide the following:

- (b) The name of the Transferee and the specific due date(s) and payment amount(s) of the payments transferred:
 - a.
 - b. CBC Settlement Funding, one (1) lump sum payment of \$5,000.00 payable on October 13, 2022, one (1) lump sum payment of \$10,000.00 payable on October 13, 2026, one (1) lump sum payment of \$22,100.00 payable on October 13, 2030 which I received a lump sum for of which was used to purchase a vehicle and to pay off some outstanding debts.

7. That, as a result of automobile accident, I became entitled to receive certain structured settlement payment rights, *to wit*, a lump sum payment of \$10,000.00 coming due October 13, 2022, a lump sum payment of \$20,000.00 coming due October 13, 2026, a lump sum payment of \$48,791.44 coming due October 13, 2030.
8. That, on or about July 15, 2020, I signed a Sale and Assignment Agreement with CBC to sell a portion of the Periodic Payments. In particular, pursuant to the Sale and Assignment Agreement, I have agreed to sell my interest in the following Periodic Payments: one (1) lump sum payment of \$5,000.00 payable on October 13, 2022, one (1) lump sum payment of \$10,000.00 payable on October 13, 2026, one (1) lump sum payment of \$26,691.44 payable on October 13, 2030 (the "Assigned Payment").
9. That, in consideration for the sale and transfer of the Assigned Payments, I will receive the gross amount of \$14,000.00 from CBC. I understand that I will be giving up my right to receive the Assigned Payments in the future in exchange for a lump sum payment from CBC.
10. I understand that the Court must grant permission and approve the sale and transfer of the Assigned Payments to CBC.
11. The money I will receive from CBC will be used to relocate to St. Louis, MO in order to be closer to my child. The job market in St. Louis better fits my skill based off my previous jobs and my education level. Although I do have some funds remaining from my first transaction, I underestimated the amount of bills and debt that I had, and it has left me short of the funds required to fully relocate.
12. I strongly and verily believe that my decision to sell and transfer the Assigned Payments is in my best interest and that the funds I receive from this transaction can be better used today to provide for the foregoing, rather than for me to wait to receive the full value of payments several years from now.
13. I have considered other means of raising cash and, after weighing the available options, have determined that this transaction is the best course for me. This transaction will provide me with a way to improve my life and decrease the daily stress and anxiety which I currently am going through and allow me to better my life, as well as my families through building this addition to our home.
14. For these reasons, I feel it is in my best interest to sell the Assigned Payments to CBC, Inc. in exchange for an immediate lump sum payment.
15. I was provided with and have carefully reviewed copies of (i) the Sale and Assignment Agreement; and (ii) New York Disclosure Statement, as required by New York law. I carefully reviewed the Sale and Assignment Agreement and Disclosure Statement and fully understand all of the terms set forth therein.

16. In accordance with New York State law, I was provided with written disclosure statements at least ten (10) days prior to signing the Sale and Assignment Agreement. I hereby acknowledge and agree to its contents.
17. As part of the separate written disclosure, I have been advised to seek independent professional advice in connection with the transfer. Accordingly, I have waived such right to receive such independent professional advice.
18. I understand the nature and terms of the transaction. I am entering into the transaction with CBC of my own free will and volition, and without reservation, duress or undue influence.
19. There are no additional beneficiaries under the annuity policy that would qualify as interested parties to this action entitled to receive notice under New York law.
20. Based on the foregoing I respectfully request that the Court find that this transfer is in my best interests, grant the Petition of CBC, and authorize the sale and transfer of the Assigned Payments.
21. I have not previously filed a petition to transfer payment rights under the structured settlement.
