Producer Search

Instructions

1. In the **Search By** field choose either Individual or Business Entity. **TBA licenses** (transacting business as) are included in the Business Entity search along with Corporations, Partnerships, and Limited Liability Companies.
2. To narrow your search result, enter values in multiple fields.
3. Select one or more of the following to search: Name, NY License #, National Producer Number
4. Select Search to perform your search.
5. To view/open a record from your result list, click on the name.
6. Click on the **HELP** button for additional instructions.
7. **Do not use the Back Button.** Use either the Reset Button or Producer Search Link.
8. ****Please note that Reinsurance Intermediaries records are NOT AVAILABLE for viewing at this time.**
