

Liberty Life Assurance Company of Boston

NOTICE of Financial Commitment

Claimant name: _____

Annuity contract number: _____

Annuity contract issue date: _____

Liberty Life Assurance Company of Boston ("Liberty Life"), a member of the Liberty Mutual Group, has made the following financial commitment to Barco Assignments, Ltd. ("Barco"):

Whereas, Barco has entered into a Non-Qualified Assignment Agreement to assume a periodic payment obligation with the claimant named above as well as with other claimants; and

Whereas, Liberty Life is a shareholder of Barco and desires to provide assurances to claimants who have entered into assignment agreements with Barco and to Barco's other creditors with respect to the financial condition of Barco and its ability to satisfy its financial obligations.

Therefore,

Liberty Life will ensure that Barco has the minimum amount of net assets required to conduct business under Barbados law, and if at any time Barco has insufficient funds to make any required payment under the terms of any obligation it has to a creditor, Liberty Life will contribute to Barco the funds Barco needs in order to meet its payment obligations.

However, Liberty Life has no obligation to make any payment under its solvency commitment to Barco to the extent Barco's obligation to a creditor was satisfied by a payment to someone other than the creditor as a result of a child support lien or order, or any other court order or settlement agreement resulting from legal action or process in which the creditor is a party, including, but not limited to, bankruptcy proceedings, divorce proceedings, garnishments, interpleaders, judgments, or liens.

If Liberty Life ever decides to end its solvency commitment to Barco, Liberty Life's commitment to contribute to Barco funds needed to maintain Barco's solvency will remain in effect until all of Barco's obligations that arose before the termination of Liberty Life's financial commitment are satisfied, including Barco's payment obligations with respect to the above referenced Non-Qualified Assignment Agreement.
