Alex,

Following up our discussion, despite American General having benefits exceeding all three life companies Ms. Major selected (Pac Life, Hartford, NY Life) she has declined to structure any of the funds with American General. Please note letter we requested. Will have wire instructions to you tomorrow; also working with defense counsel on release. Thanks

To Whom It May Concern:

I, Erica Major, do not wish to utilize the better rates of American General. I am aware that American General provides greater benefits for the same premium investment, however would prefer to utilize the three quotes provided to me by Black, Holcomb, Smith & Associates.

Thank you.

Sincerely,

Erica Major
