Audit #

Dear

Your structured settlement case has been flagged to receive an audit by our underwriters for the 2015-2016 calendar year. We have assigned an account representative that can assist you in document retrieval. To verify and complete the audit process please call 800-414-9193.

This audit is extremely important to verifying your remaining payment streams for the 2017 calendar year.

We appreciate your cooperation in advance.
