I started working at Sovereign Funding Group on January 2, 2013 in the sales department. It has only been 2 weeks but I am very excited about this job and my future here. The company is really interested in offering the best structured settlement quotes and highest level of customer service. All the managers and staff are super friendly, nice and helpful as well. mentioned to management that the address is listed on Google incorrectly as a Columbia Maryland address instead of the correct Rockville Maryland address.
