**THIRD AFFIDAVIT OF PAUL ALAN LEVY**

1. My name is Paul Alan Levy. I am lead counsel for intervenor Myvesta Foundation.
2. After the hearing on Myvesta’s motion for leave to intervene, I contacted the process server identified on the receipt for the filing fee to ask about where that company received the papers to be served, and how the fees had been paid. I spoke with a man who identified himself as “Jack.” Jack told me that he had received the papers from a company. He sent me a copy of an email to which a paper for filing had been attached, as well as an email exchange with that sender. A copy of those emails, from someone named “Gerald Feinstein” with a company called “Annuity Sold,” is attached as Exhibit 7 (the numbering is sequential to my previous affidavits).
3. Jack told me that the filing fee had been paid with a check written on his company’s account, but that the funds had been paid to **his** company by a check sent by his company’s customer. A copy of Jack’s email forwarding the check, and of the check, showing that it was written on an account belonging to RIR1984 LLC, is attached as Exhibit 8.

Attached is all we have as far as documents are concerned, as for the filing fee, we paid the filing fee after receiving clients check (also attached)

Not to be rude but this research has taken quite a bit of my time so i hope you take this the wrong way but I hope we are done.

Thanks.

A couple of questions if I may. This is a civil cover sheet. I assume that the same person ALSO provided you with the attached complaint, consent motion and proposed consent order?

The filing fee was paid by check. Did your company deliver a check that someone else gave you for delivery (if so, did you retain a copy of what you were filing)? Or, did YOU write a filing-fee check, using funds paid to your company?
