**ORDER DENYING PETITION FOR COURT APPROVAL OF A TRANSFER OF
STRUCTURED SETTLEMENT PAYMENT RIGHTS**

THIS CAUSE came before the court for hearing on the above Petition. The court has carefully considered the Petition and Objection thereto as well as the argument of counsel. Upon due consideration, the court finds that the arguments contained in Respondent New York Life Insurance Company's response are well taken, that the subject annuity prohibits assignment and that this court lacks jurisdiction to grant the petition.

Accordingly, the Petition for Approval is DENIED.

DONE AND ORDERED THIS 17 DAY OF MAY, 2017.
