MAJ Sponsorship Program

The MAJ Sponsorship Program provides consistent exposure to MAJ members and maximizes your chance of reaching your market.

For MAJ members, sponsors provide access to services and products often uniquely tailored to the needs of the trial practitioner. Sponsors also allow the association to provide its members more and better services because of their financial support.

For more information on becoming a supporter of MAJ, [contact us](#).

The program is structured in a tiered format to match your organization's budget with a quality return on your investment. Below is a summary of the MAJ Sponsorship levels and their benefits.
