Subject: NSSTA Update-Access Funding

Dear NSSTA Members,

We advised NSSTA members recently that Access Funding, LLC ("Access" or the "Company") sent letters to NSSTA members, encouraging them to provide leads to Access so that Access could contact structured settlement recipients in an effort to factor payment rights to Access. The Company is using NSSTA's trademarks to suggest that Access is a member of NSSTA writing to another member about the Company's services, which the letter implies are offered in combination with or are endorsed by NSSTA.

NSSTA's Counsel has contacted Access to demand that it cease use of NSSTA's marks and take corrective action to address the false and misleading statements made by Access. If you have any questions regarding materials that reference NSSTA from anyone other than the Association, please contact us as soon as possible.
