Full Legal Disclaimer :

No securities regulatory authority has expressed an opinion about these annuities. It is an offence to claim otherwise. IRC 5891 Annuities are only offered for sale in the United States and are exempt from registration with the U.S. Securities and Exchange Commission. Each prospective investor should be aware of their risk tolerance and consult his or her own accountant, and business advisor as to the legal, tax and related consequences of a purchase by him or her of an asset. No tax advice has been nor is being rendered by Our Company, any of its officers, directors, managing agents, employees, affiliates, or subsidiaries. IRS rules of practice require us to inform you that any description or discussion of taxation contained in this correspondence related to federal tax issue is not intended or written by Our Company to be used, and cannot be used by any taxpayer for the purpose of avoiding any taxpayer for the purpose of avoiding any tax penalties imposed by the internal revenue service, or for promoting, marketing, or recommending any tax related matters addressed herein.
