Common Hesitations

- **Everyone will be staring at me!**

- If you walk through a mall nude, people certainly would. Here everyone is nude and it is highly unlikely.

- **I'm (pick one) - too fat, too skinny, etc.**

- Our members are not beauty queen or Greek gods, just ordinary people like you.

- **What if someone I know is there?**

- If they are here, they are nude also. Now you have something else in common.

- **What if someone finds out I'm a nudist?**

- We go to great lengths to protect the privacy of our members and guests. Nudism is really not anything to be ashamed of; it is practiced worldwide.
