re: Bentzen Funding Solutions v. American Home Assurance Company et al
Payee - ██████████
Docket No. ██████████

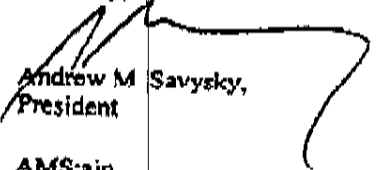

Dear Ms. ██████████

We are very sorry that we are tendering payment for this transfer to you at this late date. We understand your disappointment and appreciate the inconvenience this has caused you. There is no question that the delay in funding you have experienced does not meet the very high standards our customers have come to expect and must continue to demand. In addition to the purchase price we are contractually obligated to pay, we are remitting an additional sum of \$2,000.00 to your account, as a small token of our regret for the delays you experienced.

We thank you for the courtesies and consideration you have extended to us throughout this process. Since we shall be servicing your monthly payments, please know that your pass through payments shall be handled as a priority.

If there is anything else that we can do to minimize your inconvenience in regard to this matter, please don't hesitate to contact us. Please let us know if there is anything we can do to assist you in solving any financial problems this delay in funding has caused you.

Sincerely,

Andrew M. Savysky,
President
