Cash For Future Payments

Get cash for future payments and change your quality of life

Annuities and structured settlements are a great way to get a small guaranteed income, but it can also be a source of frustration when you need quicker access to the full sum of money due to you. Why not get cash for future payments and sell your structured settlement?

Patriot Settlement: helping you change the way you live your life

Patriot Settlement is committed to helping you get the cash that you need in order to change your standard of living. Visit www.patriotsettlement.com right now and apply online for a free quote on your structured settlement payments.

Get cash for future payments now with Patriot Settlement!

Patriot Settlement will buy future payments from you in exchange for a cash lump sum. We can wire the money directly to your bank account, or send a check, in just a few business days after a Court in your state approves the transfer! This is the best way to get access to a larger sum of money without incurring any repayment terms or expenses.
