## Why Choose Strategic Capital?

- We pay thousands of dollars more in lump sum cash
- We provide fast, exceptional service
- We make it easy and keep you up-to-date
- We treat you with respect
- We are safe and reliable

### We pay thousands of dollars more in lump sum cash

We make it possible for annuitants to receive more lump sum cash by charging considerably lower interest rates. A 2004 California Attorney General's report on the selling of structured settlement payments showed the average interest rate charged for the state was 19.2%. In the same year, the national average interest rate charged by Strategic Capital for structured settlement payments was 12.7%. **The dramatic difference in rates charged means that 4. Strategic Capital pays annuitants thousands of dollars more cash now for their structured settlement payments.**

### We provide fast, exceptional service

We pride ourselves on our fast service - our goal is to get your cash to you in the shortest time period. We are happy to hear from you and always treat you with respect. Just ask around, or see our [Testimonials](#) section for comments from annuitants and professionals on our high standards, speed and professionalism.

### We make it easy and keep you up-to-date

We do everything for you. Our professional team manages all aspects of the transaction and works directly with you to ensure the process is clear and easy - we keep all parties informed every step along the process. We provide you with peace of mind knowing that everything is being done to ensure your structured settlement, lottery jackpot or other annuity payment transaction proceeds smoothly.

### We treat you with respect

The Strategic Capital team is dedicated to treating annuitants fairly and with respect. We set higher standards and offer a better opportunity for annuitants to control and respond to life's changes.

### We are safe and reliable

Our payment purchases of more than \$1.3 billion demonstrate our track record of successfully helping our clients. We are a leader in buying structured settlements, lottery winnings and other future payments. We are endorsed by a number of leading professionals and organizations. See our [Testimonials](#) section.
